EmpowerHim EmpowerMe Summit

The EmpowerHim EmpowerMe Mother-Son Summit is uplifting and transformational! We provide “a village” for boys, moms, and mother figures to empower and enhance their relationships. During the summit, the women, alongside their sons, participate in workshops and panel discussions focusing on financial literacy, health and wellness, social and emotional development, character building, entrepreneurship, leadership, and decision-making skills. Visit our website **youthempowerme.org** for more information. Follow us on Facebook and Instagram **@YouthEmpowerMeFoundation**.
