# TESTIMONIALS

“It will serve to reason for the next great leaders will come from the best way we serve the needs of the future now growing. EmpowerMe EmpowerHer lets the full work of art which is a unique Mother and daughter relationship bloom right before the eyes of all in attendance. Join in this magical experience. Ms Olivia drives the collective passion for family and fashion in a once-upon-a-time like a Girl's Day Out. A memory of a lifetime. You don't want to miss out on the education and fun.”

“I had a wonderful experience at the EmpowerHER EmpowerME” Youth Summit. The workshops were very interactive and informative adding to our body of knowledge on topics such as financial well-being and how to be pretty from the inside out with a proper diet. It was great way to spend quality time with my daughter while receiving enriching experiences and creating memories that she and I will always remember. The summit also had a variety of vendors, and dynamic presentations, including a mother-daughter fashion show to top off the event! I am so glad I registered, and I am looking forward to more great events from this organization.”
